Introduction

A **NEX Exchange Corporate Adviser** plays a key role in preparing, and assessing the suitability of, companies for **admission** to the **NEX Exchange Growth Market** and providing ongoing support in relation to their **client companies'** regulatory responsibilities. This Corporate Adviser Handbook ("**Handbook**") sets out the requirements which apply to an **NEX Exchange Corporate Adviser** for this purpose.

NEX Exchange is a UK **recognised investment exchange** ("**RIE**") in the City of London. This **Handbook** applies to one of the market segments it operates, known as the **NEX Exchange Growth Market**. The **NEX Exchange Growth Market** is a primary market with a regulatory environment designed to meet the needs of small and mid-cap **issuers** wishing to obtain a quotation on a public market to access growth capital. **NEX Exchange** has adopted a regulatory framework for this market, based on a set of disclosure rules, known as the **NEX Exchange Growth Market - Rules for Issuers** ("**NEX Exchange Rules**"), which balances flexibility for small companies with appropriate investor safeguards. Foremost among these safeguards are the obligations placed on **NEX Exchange Corporate Advisers**.

The first part of this **Handbook** sets out the criteria that an **applicant** firm is required to satisfy in order to be approved as a **NEX Exchange Corporate Adviser**. The second part sets out the ongoing responsibilities of a **NEX Exchange Corporate Adviser** in relation to the companies for which it acts.

This **Handbook** should be read in conjunction with the **NEX Exchange Rules** and the **NEX Exchange** Disciplinary Procedures, a copy of each of which can be found on the **NEX Exchange** website www.NEXEX.com.

The **NEX Exchange Growth Market** has a dedicated regulatory team which is available to discuss these initial and ongoing requirements and can be contacted by email at Regulation@nexexchange.com or on +44 (0) 20 7050 7640.

The **Handbook** sets out rules that create binding obligations for **NEX Exchange Corporate Advisers**. Accordingly **NEX Exchange** may impose disciplinary sanctions in cases of breach.

Guidance Notes are not binding in their own right but have interpretative and explanatory value in relation to a rule. Guidance Notes may specify practices tending to establish compliance with a rule. Guidance Notes are intended to address particular aspects of a particular rule rather than to be an exhaustive description of an **NEX Exchange Corporate Adviser's** obligations.

PART 1

Applications to become an NEX Exchange Corporate Adviser

General

1. This **Handbook** sets out rules for **NEX Exchange Corporate Advisers**.
2. The approval of an **application** for **NEX Exchange Corporate Adviser** membership shall be at the sole discretion of **NEX Exchange** and is separate to any legal or regulatory authorisation required by an **applicant** in any jurisdiction in which it operates. **NEX Exchange** may reject an **application** which otherwise appears to meet the membership criteria if, in its opinion, approval of the **applicant** would be likely to impair the integrity of **NEX Exchange** or the interests of investors.

Application Form

3. An **application** should be made using the application form available on the **NEX Exchange** website at www.nexexchange.com.
4. The submission of an **application** for membership shall, assuming the **application** is approved, constitute the **applicant's** agreement to adhere to the requirements of the **Handbook** (as amended or extended from time to time) as well as **NEX Exchange market notices** and any other **NEX Exchange** regulatory provisions, explicitly stated as applicable to **NEX Exchange Corporate Advisers**, promulgated from time to time.

Application Fees

5. At the same time that a completed **application** to become a **NEX Exchange Corporate Adviser** is provided to **NEX Exchange**, the **applicant** must submit the appropriate fee in order for its **application** to be processed. This fee is non-refundable in the event that an **application** is not approved.

Guidance note on paragraph 5

The current **application** and annual fees applicable to **NEX Exchange Corporate Advisers** are set out in the fees schedule on the **NEX Exchange** website.

Suitability of applicant

6. **NEX Exchange** will not grant membership to an **applicant** unless it determines that the **applicant** is fit and proper to perform its proposed activities. In this connection **NEX Exchange** will have regard to any matters adversely affecting the **applicant's** reputation (or likely, in the opinion of **NEX Exchange**, to have that effect), including

(but not limited to) any failure by the **applicant** or any company in the group of which it forms part to comply with any legal or regulatory requirement to which it is subject, or any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened).

7. **NEX Exchange** will usually take into account whether the **applicant** is authorised to perform its corporate advisory function under the rules and regulations of its prescribed regulatory supervisory body and, for firms which are **FCA** authorised, the number of individuals registered by **FCA** to perform the relevant customer function (currently CF 30) in relation to corporate finance advice.
8. **NEX Exchange** will assess the financial and business standing (including any independent risk rating) of the **applicant**. In this connection, **NEX Exchange** will have regard to the **applicant's** financial position as shown by its last financial statements and, where appropriate, of the group of companies of which it forms part. For the avoidance of doubt, in cases where an **applicant** does not file public accounts, **NEX Exchange** will treat financial information provided by such **applicant** in strict confidence.
9. **NEX Exchange** will require confirmation that the **applicant** has appropriate professional indemnity insurance cover in relation to its corporate advisory activities.

Requirement for Competent Employees

10. An **applicant** shall demonstrate to the satisfaction of **NEX Exchange** that it has an appropriate number of full-time employees with authority to make decisions on behalf of the **applicant** and who can demonstrate to the satisfaction of **NEX Exchange** that they have adequate knowledge and experience of relevant regulatory requirements and processes and in particular those pertaining to the **NEX Exchange Growth Market**.
11. In determining whether staffing levels are adequate **NEX Exchange** will have regard to the number and type of **client issuers** of the **NEX Exchange Corporate Adviser**, other corporate finance activities undertaken by the **applicant**, and their imminent plans in terms of corporate finance activity.
12. In addition, there must be adequate arrangements for dealing with the absence or incapacity of such employees.
13. As part of the **application** procedure, an **applicant** will be required:
 - a. to provide details of at least two (2) key corporate finance personnel who have practiced as a corporate adviser for at least two (2) years preceding the date of **application** for **NEX Exchange Corporate Adviser** membership and who will be involved in carrying out the corporate adviser function; and
 - b. demonstrate to the satisfaction of **NEX Exchange** that all key corporate finance personnel have sufficient qualifications and experience of:

- i. transactions relating to publicly traded companies (ideally involving the production of a public document), having regard to any specialist sector in which their **client issuers** are involved; and
- ii. the provision of continuing regulatory advice on the rules of public markets, either with the **applicant** or in a similar role at another firm.

Guidance note on paragraph 13

With regard to paragraph 13a, **NEX Exchange** will consider whether each of the key corporate finance personnel has the skills, knowledge and expertise necessary to:

- a. provide corporate adviser services in accordance with the **Handbook**;
- b. understand:
 - i. the rules and guidance directly relevant to corporate adviser services;
 - ii. the due diligence process required in order to provide corporate adviser services in accordance with the **Handbook**;
 - iii. the responsibilities and obligations of a **NEX Exchange Corporate Adviser** in accordance with the Handbook; and
 - iv. specialist industry sectors, if relevant to the corporate adviser services it provides or intends to provide.

With regard to paragraph 13a, **NEX Exchange** may consider whether any of the key corporate finance personnel have had material involvement in (i) assisting issuers applying for admission to trading on an EU (or equivalent) public market in the capacity of an exchange or listing authority approved sponsor, (ii) acting as lead corporate finance adviser in a transaction involving the publication of an approved prospectus by an issuer admitted to trading on a Regulated Market, or (iii) acting for the offeror in a transaction for shares admitted to trading on an EU public market involving the production of a takeover offer document.

14. **NEX Exchange** will also take into account the number of individuals registered by the **FCA** to perform any relevant customer functions in relation to corporate finance advice for firms which are **FCA** authorised.

15. An **applicant** must provide details of any corporate finance personnel who have been subject to disciplinary or similar action (including adverse comment) by a regulator or law enforcement agency or has any unspent convictions in relation to indictable offences.

Requirement for Adequate Systems and Procedures

16. An **applicant** shall demonstrate to the satisfaction of **NEX Exchange** that it has adequate internal systems and procedures appropriate for the activities it proposes to conduct on the **NEX Exchange Growth Market**.
17. In assessing the adequacy of an **applicant's** systems and procedures, **NEX Exchange** will have regard, *inter alia*, to the following matters:
 - a. the corporate finance procedures implemented by the **applicant** in relation to the engagement of new **client issuers** and the process for determining their suitability for **admission** to the **NEX Exchange Growth Market** (and more generally, relating to the process of admitting issuers to public markets);
 - b. the procedures in place to ensure proper management of any potential conflicts of interest, such as to ensure the independence of regulatory advice provided by the **applicant** to its **client issuers**;
 - c. the reporting lines of the **applicant** and its arrangements for the supervision of its staff; and
 - d. the record-keeping procedures of the **applicant**.

Requirement to have Compliance and Money Laundering Reporting Officers

18. An **applicant** shall demonstrate to the satisfaction of **NEX Exchange** that it has one or more identified employees who shall be competent to undertake the roles of the compliance officer and the money laundering reporting officer of the **applicant**. They must have sufficient experience and be authorised by the **FCA** or other appropriate regulator to carry out their respective functions. Such individuals should not be part of, nor be involved at any time in, the corporate advisory function of the **applicant** in relation to **client issuers**.

Guidance note on paragraph 18

The compliance officer and the money laundering reporting officer roles are deemed to be key appointments. **NEX Exchange** may consider submissions by an **applicant** that, having regard to the nature, scale and complexity of its business, and the nature and range of services it provides, it is not proportionate to exclude a compliance officer from any involvement in the corporate advisory function in the case of the particular applicant. In this context, the **applicant** will have to demonstrate to the satisfaction of **NEX Exchange** that its compliance function is effective, taking into account the extent of the compliance officer's involvement in the services or activities they monitor.

19. The role of the compliance officer shall include responsibility for advising the **applicant** and its employees on the application of the **Handbook** to that firm, and monitoring its ongoing compliance with the requirements of the **Handbook**. An **applicant's** compliance procedures should allow for appropriate independent oversight of its corporate advisory function.

Requirement to be able to Perform Required Activities and Responsibilities

20. An **applicant** shall demonstrate to the satisfaction of **NEX Exchange** that it is able to perform its required activities and responsibilities in accordance with applicable financial services legislation or regulation in any country in which it operates.
21. In assessing compliance with this requirement, **NEX Exchange** shall verify that the **applicant** is permitted to perform **Corporate Adviser** activities in accordance with a scope of permission granted by the **FCA** or other appropriate regulator. In the case of an overseas **applicant**, **NEX exchange** will require a copy of the permission or license entitling the **applicant** to carry on corporate finance activities in the UK.
22. In the UK, professional firms falling within the regulatory oversight of a Designated Professional Body may be eligible for approval as an **NEX Exchange Corporate Adviser** but this will be assessed on a case by case basis by **NEX Exchange** having regard to the rules of such body from time to time.

Provision of Information

23. An **applicant** shall provide **NEX Exchange** with such information as **NEX Exchange** may reasonably require in order to allow **NEX Exchange** to determine whether the **applicant** satisfies the requirements for membership.

24. **NEX Exchange** will ordinarily request an **applicant** to submit a business profile setting out the nature of its anticipated activities, and invite the **directors** or key employees of an **applicant** to attend an interview to discuss its **application**.
25. By making an **application** for membership, an **applicant** authorises **NEX Exchange** to make appropriate enquiries concerning the **applicant**, its **directors**, employees and **controller** and to obtain information from, and pass information to, any legal, regulatory or supervisory authority responsible for the oversight of the **applicant** or the investigation of financial crime.

Determination of Application

26. **NEX Exchange** may:
 - a. grant an **application**;
 - b. reject an **application**; or
 - c. grant an **application** subject to such conditions as it considers appropriate.
27. **NEX Exchange** will determine an **application** as soon as reasonably practicable having regard to the review processes described above.

Notice of Decision

28. **NEX Exchange** shall, as soon as possible after reaching a decision on an **application**, give the **applicant** written notice of that decision.
29. Where an **application** is granted, **NEX Exchange** shall issue a **market notice** of the **applicant's admission** to membership.
30. In the case of the refusal of an **application**, **NEX Exchange** shall not be obliged to give reasons for its decision.

Permissioning of Activities as an NEX Exchange Corporate Adviser

31. Where an **application** is granted, such membership approval is initially restricted to a **NEX Exchange Corporate Adviser** acting for a maximum of ten **client issuers** at any one time. In the event that a **NEX Exchange Corporate Adviser** intends to act for a greater number of **client issuers**, permission should be sought for **NEX Exchange** to extend approval to a maximum of 20 **client issuers** on the basis that the **NEX Exchange Corporate Adviser** can comply with paragraphs 10 and 11 notwithstanding the greater number of **client issuers**. A **NEX Exchange Corporate Adviser** is then required to seek further permission for **NEX Exchange** to determine

whether or not to extend approval beyond a maximum of 20 **client issuers** in respect of each additional ten **client issuers**.

Guidance note on paragraph 31

In respect of existing **NEX Exchange Corporate Advisers**, **NEX Exchange** will continue to permit a **NEX Exchange Corporate Adviser** to act for such number of **client issuers** as may exist at the time of implementing paragraph 31; however existing **NEX Exchange Corporate Advisers** will be required to seek an extension of approval in line with the provisions of this paragraph of the **Handbook** before stepping through a relevant approval threshold (10, 20, 30,

PART 2

Membership obligations of NEX Exchange Corporate Advisers

General Responsibilities

32. A **NEX Exchange Corporate Adviser** is responsible to **NEX Exchange** for complying with the requirements of the **Handbook**, and in particular must:
- a. ensure, so far as is reasonably practicable, that a **client issuer** and its **securities** comply with the **NEX Exchange Rules** and are otherwise suitable to be traded on the **NEX Exchange Growth Market** (on **admission** and on a continuing basis);
 - b. be available to advise a **client issuer** for which it acts at all times to ensure compliance with its responsibilities (under the **Rules** or otherwise);
 - c. ensure that due and careful enquiries have been made to ensure that the information provided to **NEX Exchange** on behalf of the **issuer** for the purpose of an application for **admission** is accurate and complete;
 - d. liaise with **NEX Exchange** on behalf of a **client issuer** in relation to any request for the suspension, restoration or withdrawal of its **securities**;
 - e. liaise with a **client issuer** (and **NEX Exchange** where necessary) to ensure that the **issuer** is able to meet its financial reporting timetable;
 - f. act with due care, skill and competence at all times in complying with the requirements of the **Handbook**; and
 - g. in addition to compliance with the requirements of the **Handbook**, a **NEX Exchange Corporate Adviser** must observe its wider responsibilities and is required to conduct its affairs to avoid impairing the reputation and integrity of the **NEX Exchange Growth Market**.

Determination of Issuer Suitability

33. **Issuers** seeking **admission** to the **NEX Exchange Growth Market** are required to appoint an **NEX Exchange Corporate Adviser** and must retain a **NEX Exchange Corporate Adviser** at all times thereafter. An **NEX Exchange Corporate Adviser** is responsible to **NEX Exchange** for determining the suitability of a **client issuer** for **admission** to the **NEX Exchange Growth Market** and for determining that following **admission** a **client issuer** and its **securities** continue to comply with the **NEX Exchange Rules** and applicable regulatory obligations and are otherwise suitable to be traded on the **NEX Exchange Growth Market**.
34. An **NEX Exchange Corporate Adviser** should perform satisfactory due diligence in accordance with the NEX Exchange Practice Note on Due Diligence and suitability checks for both **issuers** applying for **admission** and **issuers** admitted to trading appointing a new **NEX Exchange Corporate Adviser**.

Guidance note on paragraph 33 and 34

With respect to **issuers** admitted to trading appointing a new **NEX Exchange Corporate Adviser**, in determining suitability a **NEX Exchange Corporate Adviser** may rely on information contained in the **issuer's** historic prospectus, **admission document**, circulars and regulatory announcements but only to the extent that it is able to establish that the information contained in such documents was appropriately verified at the time of publication and there is no reason to believe that a significant change has occurred.

Applications for Admission

35. With respect to applications for **admission** a **NEX Exchange Corporate Adviser** must oversee the due diligence process with respect to **issuers** to ensure that appropriate legal and financial due diligence is undertaken by appropriate professional advisers having regard to the circumstances of the **issuer**.

A **NEX Exchange Corporate Adviser** should, where applicable:

- a. agree the scope of work and due diligence undertaken by an **issuer's** professional advisers;
 - b. agree the scope of comfort letters and due diligence reports;
 - c. agree the assumptions and sensitivities of the assessment of working capital; and
 - d. review due diligence reports and comfort letters to determine that any identified material issues that may impair an **issuer's** suitability are resolved prior to submitting an application for **admission**. A **NEX Exchange Corporate Adviser** should (where appropriate) challenge work done by an **issuer's** professional advisers.
36. A **NEX Exchange Corporate Adviser** should scrutinise and play a lead role in the drafting of sections of an **issuer's** prospectus or **admission document** relating to the **issuer's** business and the risk factors.

Guidance note on paragraph 35

A **NEX Exchange Corporate Adviser** should ensure that (i) due diligence is undertaken in accordance with the **NEX Exchange** Practice Note on Due Diligence and (ii) the working capital assessment is undertaken in accordance with the NEX Exchange practice note on working capital for issuers seeking admission (other than Fast-Track applicants).

Issuers' Understanding of Responsibilities

37. A **NEX Exchange Corporate Adviser** should ensure that satisfactory guidance and advice has been provided to the **directors** of the **client issuer** to ensure proper understanding of their responsibilities (under the **NEX Exchange Rules** or otherwise).

Guidance note on paragraph 37

A **NEX Exchange Corporate Adviser** must adopt an approach which is appropriate to the circumstances of an **issuer** and its **directors** but ordinarily will be expected to provide a briefing or presentation concerning the **directors'** responsibilities under the **Rules**, applicable company legislation, Prospectus Rules (as defined in the **Rules**), Disclosure and Transparency Rules, Takeover Code (if applicable), applicable financial crime, **market abuse regulations**, anti-money laundering, anti-bribery and corruption legislation. This should be provided in relation to new directors appointed by an **issuer**. In particular, a **NEX Exchange Corporate Adviser** should ensure that a **client issuer** is aware of the timetable for periodic announcements, such as interim and full-year financial results, and the **closed periods** relating to that timetable.

Declaration

38. If a **NEX Exchange Corporate Adviser** submits an application for **admission** on behalf of an **issuer** or alternatively is appointed by an **issuer** admitted to trading as the **issuer's** new **NEX Exchange Corporate Adviser**, it is required to submit a **declaration** in the form prescribed at **Appendix B**.

Provision of Advice and Guidance

39. An **NEX Exchange Corporate Adviser** is required to be available at all times to advise **client issuers** on the application of the **NEX Exchange Rules**. Arrangements

should therefore be made for regular and effective lines of communication between a **NEX Exchange Corporate Adviser** and its **client issuers**, such that any regulatory queries can be addressed promptly when they arise.

Guidance note on paragraph 39

A firm should consider whether specific regulatory “checkpoints” would be likely to be beneficial, such as the routine review of regulatory announcements and circulars to shareholders prior to their release (without affecting the **issuer’s** principal responsibility for the content of such announcements) and attendance at **client issuers’** board meetings where regulatory matters are under consideration.

Conflict of Interest

40. A **NEX Exchange Corporate Adviser** should operate appropriate procedures to manage effectively any potential conflict of interest, such as to ensure the independence of the regulatory advice it provides. In particular, a **NEX Exchange Corporate Adviser** and any member of a group of which it forms part must not:
- a. act for any other party to a transaction or take-over in which a **client issuer** of the **NEX Exchange Corporate Adviser** is involved;
 - b. act as either solicitor or auditor for a **client issuer** unless the **NEX Exchange Corporate Adviser** has satisfied **NEX Exchange** that appropriate safeguards against conflicts of interest are in place; and
 - c. permit any partner, **director**, employee or consultant to hold the position of a **director** of a **client issuer**.
41. Due regard should also be had to the effects of any shareholdings a **NEX Exchange Corporate Adviser** has in its **client issuers**. By way of guidance, **NEX Exchange** would normally regard it as unacceptable for:
- a. a **NEX Exchange Corporate Adviser**;
 - b. any member of a group of companies of which the **NEX Exchange Corporate Adviser** forms part; and
 - c. any employees, **directors**, **family** or **connected persons** of such entities to hold, directly or indirectly (including share options), in aggregate more than ten per cent of **client issuer’s securities**.

NEX Exchange shall also have regard to the shareholding in **client issuers** of any **controller** of the **NEX Exchange Corporate Adviser** or its parent company. In case of doubt, an **NEX Exchange Corporate Adviser** should consult **NEX Exchange**.

42. Furthermore, an **NEX Exchange Corporate Adviser** must not deal in its **client issuer's securities** except in accordance with the code of dealing adopted by the **issuer** as required by the **NEX Exchange Rules**. In addition, all **directors** and members of staff involved in carrying out the corporate adviser function are deemed to have special knowledge of their **client issuers** who have been admitted to the **NEX Exchange Growth Market**. Consequently, neither they nor any **family** or **connected persons** should, whether as principal or agent, acquire an **issuer's securities** once it has become a **client issuer** of their firm and may not deal in the **securities** of such **issuer** acquired before that time except in accordance with the code of dealing adopted by the **issuer** as required by the **NEX Exchange Rules**.

Liaison with NEX Exchange

43. A **NEX Exchange Corporate Adviser** is required to liaise with **NEX Exchange** as soon as practicable in relation to:
- a. any proposed request for, or other circumstances which might require, the suspension of trading of an **NEX Exchange Growth Market client issuer**; or
 - b. any proposed request for restoration or cancellation of the **securities** of a **client issuer** on the **NEX Exchange Growth Market**. In addition, from time to time, it may be necessary for **NEX Exchange** to request that a **NEX Exchange Corporate Adviser** assists its enquiries in relation to any unusual movements in the share price of a **client issuer**; or
 - c. any information previously provided to **NEX Exchange** which has come to its attention as being incorrect or incomplete or otherwise misleading; or
 - d. if it believes that its **client issuer** has breached the **NEX Exchange Rules**; or
 - e. if it believes that its **client issuer** is no longer suitable to retain its **NEX Exchange** trading facility.
44. All communications between **NEX Exchange** and a **NEX Exchange Corporate Adviser** are confidential to **NEX Exchange** and should not be disclosed, except as required by any other regulatory or statutory body. Such communications can be disclosed to appropriate advisers to the **NEX Exchange Corporate Adviser** or to the relevant **NEX Exchange issuer**, unless **NEX Exchange** states otherwise.

Record Keeping

45. **NEX Exchange Corporate Advisers** are required to operate effective record-keeping procedures, such as to provide an audit trail of advice provided to **client issuers**. A firm's procedures should ensure that records are retained for a minimum period of three years, or such longer period as may be required under wider law or regulation applicable to the firm.

Provision of Information

46. If necessary for the performance of its responsibilities as the market operator, **NEX Exchange** may require a **NEX Exchange Corporate Adviser** to provide it with information within its possession or control in relation to **NEX Exchange** regulatory activities pertaining to the **NEX Exchange Growth Market**. A **NEX Exchange Corporate Adviser** should ensure that its procedures allow for full co-operation with any regulatory enquiries conducted by **NEX Exchange**.
47. **NEX Exchange** may decide to conduct a compliance visit to the offices of an **NEX Exchange Corporate Adviser**. The purpose of the visit is to review the practical application of the firm's procedures and to assess whether the firm has discharged its obligations as a **NEX Exchange Corporate Adviser** pursuant to the **Handbook**, through an assessment of a selection of recent transactions and ongoing correspondence files. The visit also provides a forum for discussion on any key regulatory issues currently affecting the **NEX Exchange Growth Market**. A **NEX Exchange Corporate Adviser** should therefore co-operate with **NEX Exchange** in arranging such visits, including making key corporate finance and compliance personnel available to participate.

Continuing obligations of membership

48. Every **NEX Exchange Corporate Adviser** is subject to the general continuing obligations of membership set out in Appendix A of this **Handbook**.

Discipline

49. Where an **NEX Exchange Corporate Adviser** has breached its responsibilities under the **Handbook**, **NEX Exchange** may impose one or more of the following disciplinary sanctions:
- a. a private reprimand;
 - b. a public censure;
 - c. a fine of up to £100,000;

- d. restrictions on the **NEX Exchange Corporate Adviser's** business activities on the **NEX Exchange Growth Market**; and
- e. the suspension, variation or withdrawal of the **NEX Exchange Corporate Adviser's** membership; and
- f. publication of such sanction and the reasons for it.

Guidance note on paragraph 49

NEX Exchange *will adhere to the process set out in the NEX Exchange Disciplinary Procedures.*
