

NEX Exchange

REACH INVESTORS RAISE CAPITAL

NEX Exchange is a UK Stock Exchange used by entrepreneurs and individuals to manage their financial challenges. We give companies of all sizes, from micro to mid-caps, access to a public quote or a fully regulated listing. For investors, we offer simple access to a diverse range of dynamic, small and medium sized companies and to a variety of equity or debt products. For ambitious companies and investors, NEX Exchange is a platform for growth.

At NEX Exchange our goal is straightforward: we want to put investors in touch with investment opportunities and help businesses attract new capital. Investors can trade through UK stockbrokers. Advisory, discretionary, execution only and online services are available. NEX Exchange securities are eligible for inclusion in SIPPs and ISAs and exempt from stamp duty while NEX Exchange Growth Market securities may be eligible for IHT, CGT & EIS reliefs amongst others.
